

HELP NEEDED FOR MMIWG ART PROJECT

Hi, I'm working on an art piece for an upcoming exhibition and tackling the issue of Murdered and Missing Indigenous Women and Girls and the 506 cases identified in the Urban Indian Health Institute report.

If you are willing to participate, please send a **STRAIGHT-ON SELFIE OF YOU** that will be used to create a large scale collage. I have about 300 and would like to reach 506. The working title is "The Missing Half." An example is attached.

**PLEASE send the selfie via
FB Messenger to ANNA TSOUHLARAKIS or
email it to NDNGIRLART@GMAIL.COM**

Please pass on to any Native women you think would be willing to participate.

Thank you!
